State of Ohio.

Auditor of State's Office.

Columbus, O. Feb. 24, 1894.

Mr. W. D. Corn,

Auditor of Lawrence County,

Ironton, Ohio.

My dear sir:

Recently, the Board of Tax Remission, consisting of the Governor, the Attorney General and myself, reduced the valuation of the furnace property of The New York and Ohio Iron and Steel Company of your place, and remitted back taxes and penalties on the valuation in excess of the just and fair valuation fixed by us. An order was sent by me to you on the 6th inst., under the authority conferred by Section 107, directing you to correct the error in the excessive assessment of this property on the duplicate, and to remit the back taxes and penalties charged on the excess of valuation.

A short time after that order was issued, you sent the Attorney General a telegram, which he referred to me, stating that before our action, the Common Pleas Court had rendered a judgment against the N. Y. & O. I. and S. Co., for the back taxes and penalties, and you submitted the question whether you had authority, under our order, to remit and part of the judgment.

State of Ohio.

Auditor of State's Office.

Columbus, O. Feb. 6, 1894.

W.D.Corn, Esq.,

County Auditor,

Ironton, Ohio.

My dear sir:-

Some time ago the application of The New York & Ohio Iron & Steel Company, situated in the city of Ironton, Ohio, was before the State Board of Tax Remission for reduction of valuation and remission of taxes.

The matter was fully heard at that time and a valuation was determined upon, but the order was withheld until such times as the owners were ready to pay the taxes. I am now informed by Mr. Steece, who with Mr. Alexander, represented the company before the Board, that he now has the money to pay the taxes, therefore you are hereby authorized and directed to reduce the valuation to the sum of $10,000. and to remit the unpaid taxes and penalties on the amount in excess of $10,000. so that hereafter the valuation for this property upon your duplicate will be $10,000.

This property is described as the property of The NewYork & Ohio Iron & Steel Company, situated between Front St. and River; Hecla St. and Stroms Creek, and valued at $21,750.

This redution and remission of taxes is only to beapplied in t[illegible] event of the parties paying all taxes and penalties on the reduce[illegible] valuation of $10,000.

Yours very truly,

E. W. [illegible]

Auditor of St[illegible].

E. under. 1/6.

W. D. C. 2.

State of Ohio,

Auditor of State's Office.

Columbus, O.

Owing to the absence of part of the Board, and the engagements of others, it has been impossible until within the last few days, to convene the Board and submit this question. The Board has now, however, given careful consideration to the question you propound, and reached the conclusion, that, under Section 167, the Board has authority at any time- the statute says, "from time to time," - to "correct any error in any assessment of property for taxation or in the duplicate of taxes in any county", and at any time to "remit such taxes and penalties thereon " as the Board "ascertains to have been illegally assessed." Until the taxes and penalties illegally assessed on an excessive and erroneous valuation of property for taxation are paid, this Board has clear authority to remit such taxes. It matters not whether such illegally assessed taxes and penalties have been included in a judgment. Until paid, they are still taxes and penalties illegally assessed, because assessed on a valuation which this Board has found to be excessive and erroneous.

You are therefore directed and will at once proceed, to carry out the former order of this Board by correcting the assessment of the furnace property of this company, and by remitting the taxes and penalties on the excessive valuation, in accordance with the instructions already given you in my favor of the 6th inst.

Very respectfully.

E. W. Poe

State of Ohio.
Auditor of State's Office.
Columbus, O.

Dec. 16, 1893.

W.D.Corn, Esq.,
County Auditor,
Ironton, Ohio.

Dear sir:-

On July 28th, 1893, there was an application filed in this office by Julius S.Anderson, attorney for Joseph J.Doran, in which application request was made that a reduction be made on certain lands platted by said Doran, and the taxes and penalties thereon be remitted.

This case was this day presented to the State Board of Tax Remission, consisting of the Governor, Attorney General and myself and after having been presented orally and upon brief submitted by Mr.Peck, Supt. for Mr.Doran, also the certificate of the former Auditor, Mr.Varnum, that relief should be granted, the Board was unanimously of the opinion that some relief should be granted. The action of the Board therefore, is, that there should be given this party a reduction of twenty per cent on the valuation of each lot as now charged upon your duplicate and that the taxes and penalties now due thereon be remitted in the same proportion, and this shall be your authority for so doing.

Yours very truly,

E.N.Poe

Auditor of State.
