Washington Twp. June 7, 1897.

To Board of Equalization Lawrence Co.
Ironton O.

I kindly request a reduction in valuation of Real Estate owned by me in Washington Twp. being SE¼ of Section 21 — 160 acres on which the Washington Furnace stock valued at $3670. — I purchased the whole with Iron Plant on it for the sum of $1800 — The land is made up of old dumps, under roads etc, and is only fit for grazing land in The buildings are in a dilapidated condition, decayed, destroyed, only a few fit for occupancy — I have skipped off scrap iron, brick etc, to the amount of $2205 including $ 87 assessed as Personal Property — I kindly ask this amount be taken off and allowance be made also on the decay or decrease in valuation of buildings being now farm property instead of Furnace Property

Yours truly, A. Clutts.
