RECORD OF PROCEEDINGS

Minutes of Regular Page #2 Meeting

Held Tuesday August 7, 2001 19

Other items discussed:

- ✓ The Park Project contractor, David Williams & Associates, are to begin installation of the playground equipment next week
- ✓ Two of our employees Mike Lynd and Kenny Ison attended a CDL training class at Coal Grove yesterday. The class if taught by Roadmaster Driver's School of Ohio and they agreed to come to South Point and hold training class for all of our employees interested in getting their CDL license. The cost will be around $6,000 but it will be very beneficial for us to have an employee with a CDL license to drive our tractor trailer and not have to contract it out.
- ✓ Mr. Leighty said he has talked to Woolpert Engineers about renovating the swimming pool and boat ramp area. He has also talked to Ohio Department of Natural Resources about grant funding for the projects. He said he was told there will be grants available starting this year for swimming pools. We have to guarantee them at least 20 years service on a new pool so we will need to look at a new location since the sewer plant may need the ground where the pool is now.
- ✓ The Lontoc property on N. Kenova Road was discussed again as neighbors are complaining about the grown up condition and odors coming from the property. The Fire Department said they cannot condemn or do anything about an occupied property. The Health Department has been contacted several times, but won't do anything.

Mr. West made a motion to adjourn. Mr. Classing seconded. Roll call – yes by all.
