Re: Parcel Splits to Cemeteries

Dear Mr. Dutey:

At its April 15, 2004 meeting, the Planning Commission approved a motion clarifying whether or not parcel splits made to authorized cemeteries should count as a chargeable split as outlined by the Lawrence County Subdivision Regulations.

The purpose of the subdivision regulations is to control development as it relates to residential and commercial structures. The regulations are not designed to penalize property owners when non-developable property splits are made.

Therefore any splits made to authorized cemeteries are not to be counted against the original parcel as a chargeable split as it relates to subdivision regulations. This resolution was approved by the Lawrence County Commissioners on April 22, 2004. If you have any questions contact me at 740-533-2159.

Respectfully,

Dale Mootz, PE
Planning Director

The Lawrence County Regional Planning Commission, in it's regular monthly meeting on the above date, approved the following recommendation to the Lawrence County Board of Commissioners for the purpose of clarification:

In the calculation of the number of splits that a parcel has undergone, any split parcel that is legally designated as a cemetery shall not be counted as a split. Legal designation as a cemetery shall be proved by documentation showing that the entire parcel is under the legal control of a board of trustees and is incorporated in the State of Ohio as a cemetery or graveyard.

Approved by majority vote of the Lawrence County Regional Planning Commission on April 15, 2004.
